

Crystal River Inn

*A Riverside Bed & Breakfast
Historic Village of Rural*

Crystal River Inn is an 1853 farmstead located in the quaint and historic village of Rural just minutes from Waupaca and the Chain of Lakes. The Inn sits on the banks of the Crystal River with the river peacefully flowing and winding throughout the village. Guests are invited to wander the 11.5 acres of the property where you'll see an abundance of wildlife, native prairies, historic barns, cottages, Artisan well and a labyrinth. An organic and locally sourced multi-course breakfast is served in our dining room which overlooks the Crystal River. We welcome you to feel at home and create memories of an unforgettable experience.
